John –

I'll check with the post office. Address is correct. And even though we are Central Wire now not Techalloy, I believe we still receive mail for Techalloy.

Hi Gerry,

Here is what the post office sent back on the letter. I did not use the PO Box number. Any ideas?

Thank you John. That is the correct address. But please ensure that it does not include the "PO Box 423" on it. That is no longer active.

Best regards,

Gerry Ruopp

Mr. Ruopp,

Issues with broken sample bottles are being addressed. The EPA approves the February 2016 Monthly Progress Report.

The EPA has had mail returned when addressed to you. The address I have been using is 6509 Olson Road, Union, Illinois 60180. Please advise on what the correct address is. If you have any questions or comments please contact me.
